Communicating with Your Specialist

Access to Your Physician and Staff

Your Holston Medical Group (HMG) health care team can be reached either by telephone or electronically through our patient portal, Follow my Health. If you wish to communicate electronically, you may sign up at any office location on our website at your convenience. Please remember, electronic communication is for routine matters and never should be used for emergencies.

It **is not** appropriate to communicate with your health care team through social media, such as **Facebook**, or **texting**. Your privacy is important to us and these are not secure methods of communication. Any questions or concerns should be directed to the patient portal or office during normal business hours.

After Hours Care

HMG is dedicated to serving our patients 24 hours a day, 7 days a week. The most effective way to serve you is during regular clinic hours, but we understand acute illnesses can occur at any time. Your provider's telephone message will direct you on how to contact the HMG Physician on Call.

Prescription Refills

To avoid delays and busy phone lines, the best time to obtain your medication refills is at your office visit. While we realize there may be a need to request a refill via telephone or patient portal, please allow at least 48 hours for all refill request before checking with your pharmacy.

Monthly refills of any controlled medications (pain medication, anxiety, etc.) will only be given during an office visit within regular business hours. Sample medication will only be distributed during normal business hours.
